

91 said second terminal, and a second wiring member connected between said sixth terminal and said third terminal.

27. (Amended) A connecting member according to claim 25,

wherein said first mounting part and said first wiring member are a first socket pin, and

92 wherein said second mounting part and said second wiring member are a second socket pin.

29. (Amended) A connecting member according to claim 25, wherein both said first terminal and said second terminal are a data terminal.

**REMARKS**

Examination is requested.

Respectfully submitted,

John R. Mattingly
